

aniMeals Facts

Thanks to your generosity, we can help homebound seniors keep their beloved pets. Numerous studies have shown these pets improved the health and life of seniors.

595 seniors participate in the aniMeals program

1,249 pets are enrolled in the program

10,000 pounds – 5 tons - of food are needed each month to fill the need

200 volunteers help to keep the program running

Because kibble isn't complete without a treat, volunteers also deliver donated biscuits, catnip toys, squeaky balls and other pet products.

To volunteer, or donate food and pet items, go to www.imgh.org.

Your support can keep tails wagging.
