

Peer To Peer Fundraising

Interfaith Ministries' Meals on Wheels Thanksgiving is an annual community -wide event hosted on Thanksgiving morning to help feed homebound seniors in the Greater Houston/Galveston area. This Thanksgiving, more than ever, homebound seniors need your help. We are asking for your help to deliver meals to homebound seniors and raise \$65,000 to provide 13,000 meals to seniors in need this Thanksgiving and beyond. **For every \$5 you give or help fundraise, Meals on Wheels can provide one senior with a holiday meal.**

Below are a couple of sample emails you can use to reach out to your friends and family.

Dear Friends and Family,

This Thanksgiving, I am giving back by helping feed seniors on Thanksgiving Day. In addition to volunteering my time, I am fundraising to help pay for holiday meals for seniors. **I believe no senior should ever be hungry, but especially not on Thanksgiving.**

Please support me in this important project by helping me raise funds that will go to feed homebound seniors. For every \$5 you give, IM's Meals on Wheels will ensure a hot meal will be delivered to a senior in need. **It's that simple!**

But I am challenging you to do more! \$25 will sponsor 5 seniors and \$100 will sponsor 20 seniors. **For every \$5 you give, a hot meal will be delivered to a senior in need.** I know we all like to give back on Thanksgiving, which is why I am forwarding this opportunity to you.

It's fast, simple and easy to support this great cause—you can give online by clicking the link below.

No gift is too small, it all helps! **Join me in the fight against senior hunger and give generously!**

Sincerely,
[PARTICIPANT NAME]
