Houston’s Community Connector

FY2021 Annual Report
(July 1, 2020 – June 30, 2021)
Our Mission
Interfaith Ministries for Greater Houston (IM) brings people of diverse faith traditions together for dialogue, collaboration, and service, as a demonstration of our shared beliefs.

Our Vision
IM envisions a community working and acting together in response to the needs of a Greater Houston to create a more respectful, connected, and caring society.

Our Values
Focus: We work hard to achieve IM’s mission, vision and strategic goals. We are motivated by the trust and expectations of our clients, partners and donors.

Integrity: We do what we say and we keep our promises. We strive for excellence and hold ourselves to the highest standards while taking responsibility for our actions.

Respect: We value diversity of opinion, thought and beliefs. We treat everyone the way we want to be treated with kindness and dignity.

Service: We help others with a spirit of compassion. We put the needs of those we serve above our own.

Transparency: We are honest, open and truthful. We proactively and willingly share information with the community and each other.
It is hard to imagine that the COVID-19 pandemic has been a reality now for more than two years. In this same period of time, in Fiscal Year 2021, we have seen and experienced a flood, a hurricane, a winter storm, racial and social injustice and a burgeoning Afghan refugee crisis. Interfaith Ministries for Greater Houston has been steadfast in rising to these challenges. Our role as a Houston community connector has brought together people of all faiths and no particular faith, nonprofits, companies, foundations, volunteers, civic, worship and healthcare leaders - all for the common good.

Our Meals on Wheels program continued making weekly deliveries to the most vulnerable homebound seniors, disabled adults and veterans in the Greater Houston and Galveston County areas. Our Alexa based Connecting Seniors to Care study tested the newest technology to reduce isolation among our seniors. Animeals remained focused on caring for the pets of our seniors, which helped our seniors remain independent in their homes. Refugee Services welcomed increased numbers of refugees from around the globe fleeing persecution and danger. Interfaith Relations and Community Partnerships programming continued throughout the year with robust community discussions in The Dialogue Project, the Vital Conversations series, Faith Leader Calls and other programming. Volunteer Houston continued connecting volunteers with community needs. And we embarked on a whole new project to develop the leaders of tomorrow through Serve Houston.

Thank you for standing with us! We could not accomplish our mission without your support.

Chair, Board of Directors, 2020-2021
Rochelle and Alan Jacobson are enjoying retirement and paying it forward. Though the couple loves to travel, their hearts are in Houston. Rochelle serves on IM’s Advisory Board and the family supports Meals on Wheels through The Rochelle, Alan, Julie and Scott Jacobson Family Fund.

The family also has an interest in Animeals and Refugee Services. Rochelle explains why they give: “Compassion for others who are less fortunate than us. And fulfilling the needs of individuals who can’t do so themselves.”

This generous couple supports a number of causes from food insecurity, healthcare, women’s issues, nature and more. Their goal is to “address human suffering by helping with basic needs and to improve the lives of others.”

The Jacobsons have passed on their philanthropic nature to their two grown children and two grandchildren. This generous couple, who have been married for nearly 47 years, are a shining example of thoughtful and impactful charitable giving.
Rawaa, a 43-year-old single mother of two teenagers and a refugee from Iraq, resettled in Houston in 2020. The Refugee Services team has been by their side to assist them with the drastic changes that come with the resettlement process. Interfaith Ministries Volunteer, Tehmina Masud, led a fundraising drive to help Rawaa purchase a vehicle. With the increased mobility, Rawaa was able to start working full-time while also supporting the needs of her children.

**Refugee Services Impact:**

Early FY22- in the first quarter of FY22, we were asked to resettle over 1,000 Afghan refugees as a result of the U.S. military withdrawal of that country. Many of these refugees had been working with American troops and were in grave danger. We launched the 1000 Neighbors campaign to raise funds for this effort and partnered with the other resettlement agencies in town on the Houston Afghan Refugee Fund. Our community came together to support our newest neighbors with millions of dollars in monetary and in-kind support.

- 407 *new neighbors* were welcomed from 23 different countries.
- 1,203 *refugees* received support services.
- 364 *refugees* received employment services and 27 received vocational training.
- 51 *refugees* with health conditions received medical case management.
- 355 *refugees* received case management to meet a variety of needs.
- 80 *refugee women* overcame social isolation and learned life skills through our two Women’s Empowerment Groups.

The WRAP (Women’s Refugee Art Project) started to address mental health through self-expression with adolescent refugee woman who have faced traumatic experiences.

- 50 *refugee youth* received mentoring, academic support, and cultural enrichment activities thanks to a grant from The Hearst Foundations.

*Over 90% of our refugees are self-sufficient within 6 months of arrival.*
Guadalupe, a widow and mother of five adult children, has been a client on Meals on Wheels for two years. After surviving cancer in 1997, she started having a harder time getting around. She is grateful to receive meal deliveries to her doorstep. Guadalupe rescued a Siamese cat named Robbie 17 years ago. She loves her cat very much and enrolled him in Animeals for pet food and vet care services. He gives her a lot of companionship.

Thank you for your support of Interfaith Ministries’ Meals on Wheels and Animeals programs!

**Pets Served**
- 1,168 pets of homebound seniors received pet food and more through our Animeals program
- 406 cats
- 762 dogs

**Pet Food**
- 120,672 pounds of pet food delivered

**AniHeals** (formerly Pets to Vets)
Through partnerships with Houston Humane Society, local veterinary clinics, and Texas Veterinary Medical Foundation (TVMF), we provided preventative medical care, spay/neuter surgeries, and vaccinations for our seniors’ companion animals.

Companion animals of our seniors are transported to see a veterinarian for a comprehensive medical evaluation, at no cost to our seniors. Volunteers also serve as Pet Transporters, with this program.
