How to amend your will or living trust

To make a charitable bequest to Interfaith Ministries, you do not need to rewrite your current will or living trust. You simply add an amendment, called a codicil. Here is some sample language for your attorney to review:

“I give devise and bequeath to Interfaith Ministries for Greater Houston (Tax ID #74-1488102), located in Houston, Texas, the sum of \$_____ (or state a percentage of your estate) for the benefit of its general purposes (or a specific IM program).”

How it Works:
